Semester finals may look different depending on the class. The next page references the options teachers can use for semester finals.

Attendance: If your student is REQUIRED to attend finals and does not they are at risk of failing the class.

Semester Finals

3 Testing Options

Option 1

Semester finals time is used for students to reassess any BG or NTY scores they received during the semester to raise their overall grade.

Required

Attendance: All students that have been requested to attend by teachers.

Optional

Attendance: Students with developings that would like to increase their grade.

Option 2

Semester finals time is used to give a comprehensive final or a general assessment to the entire class.

Required

Attendance: All students in the class must be in attendance.

Option 3

Semester finals time is used as regular class time to continue with content or present student projects.

Required

Attendance: All students in the class must be in attendance.

Teachers have communicated with students AND parents regarding semester finals and who is REQUIRED to attend.
